The new Shredded Wheat Cracker from the new ovens at Niagara Falls. You liked the old Triscuit. but you will like the new Triscuit better. It is crisper and better baked. Contains the entire wheat grain in a digestible form. Let the children have all they want. Its crispness encourages thorough chewing and that means sound teeth and healthy gums. For summer lunch in the home, at the club or camp. Toast it and eat it with butter, soft cheese or marmalade.
